

## Two Yada Yada Novels at Once

We're trying something new! Not just new for us, but something completely new in Christian fiction: "**Parallel novels,**" two stories taking place in the same time frame, same neighborhood, involving some of the same characters living through their own dramas and crises but interacting with and affecting one another ... just the way it happens in real life.

Where Do I Go?  
ISBN: 9781595545237

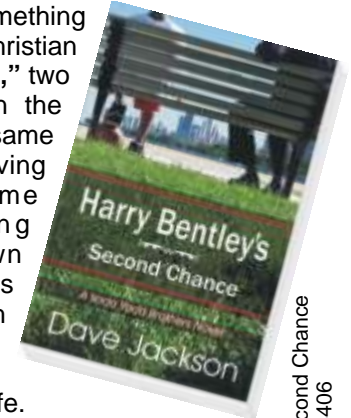

Harry Bentley's Second Chance  
ISBN: 9780982054406

It's something that only a husband and wife writing team could pull off. For more information and to order go to ...
